

## **IVS Vote By Phone Write-In Candidate Instructions**

*These instructions are what a voter will hear if they choose to select a Write-In Candidate. The voter may listen to the instructions as many times as he or she chooses. After each letter, the recorded voice will tell you what your choices are again*

Please take a moment to listen to the write in instructions. If you already know how to write in, press the star (\*) button at any time to start spelling. In addition to the letters in the alphabet, you can also choose from the following symbols: space, apostrophe, comma, hyphen and period. These symbols follow the letter Z.

Use 4 and 6 to go back and forth, one letter at a time.  
Use 2 and 8 to jump back and forth 5 letters at a time.

When you hear the letter you want to select, press 5.

To delete the last letter entered, press star (\*).

When you are finished spelling the person's name, press the pound (#) button.

If you understand these instructions and want to start spelling the person's name, press star (\*).

Otherwise press 5 to hear the write-in instructions again.
